RETAKE GROUND WON BY ENEMY AT YPRES MONDAY

British and French Troops Attacking on Flanders Front With Great Furor, Pushing the German Hordes Back.

GREAT AMOUNT OF GAS SHELLING

Considerable Area Smothered in Gas But Proof of Failure is Gains by Allies

RESERVES ON SOISSONS FRONT

Between Lore and Loos Germans Gain But Situation is Restored by Counter Drives

(By United Press.)

London, May 28.—There were 300 casualties from the recent bombing of the hospital at Ecapes, France, by German airmen, Chancellor Bonar Law announced in the house of commons this afternoon. He said a small report had been requested.

Moscow, May 28.—The peasants are reported in an uprising throughout Ukraine. They are burning crops, forests and machinery. Conditions are bad in the Potava region.

Washington, May 28.—American troops have occupied a German trench sector, inflicting heavy losses on the enemy and taking prisoners, General Pershing cabled the war department today in his statement.

Washington, May 28.—Allied reserves have arrived on the Soissons front and are being thrown into action, cables received by the British military attaché today stated. In the sector between Lore and Loos the Germans early today gained considerable territory but counter attacks restored the situation.

With the British Army in France, May 28.—British and French troops are counter-attacking southwest of Ypres. The fighting was still under way at the time of cabling. At that time they had already retaken practically all of the ground which the enemy won yesterday.

There is a stupendous amount of gas shelling. The Germans are sending down a perfect storm of these shells at various spots.

A considerable area has been smothered in gas but a proof of its failure is the fact that the French have retaken all of the territory gained by the first German drive yesterday which drove a wedge in the allied lines.

There is every indication that the enemy is putting everything in the third and perhaps the last phase of the offensive. Large masses of German troops are concentrated in the bulge in the front around Peronne and Noyon.

The allies tabulated that more than 100 fresh German divisions are at the kaiser's call. By the usual rotation system others can be brought into the offensive.

Paris, May 28.—"The Germans aided by the arrival of new forces, have crossed the Aisne between Vailly and Berry-An-Bac," the French war office announced today.

"The French and British are facing superior forces but are drawing back in good order. The battle is going on furiously between LaVesle and the Aisne plateau sector, behind which reserves have arrived.

"Active shelling is going on in the Champagne and Woevre regions and along the right bank of the Meuse."

Enemy Casualty Severe In Fiercest Fight Since Mar. 21

London, May 28.—Although the British losses admittedly are considerable the latest reports from the front today indicated that the enemy casualty is severe, as a result of some of the fiercest fighting since March 21.

While appreciating the situation in view of crossing the Aisne, military circles are calmly confident that the enemy will be unable to accomplish its purpose of weakening the other front where the main attacks undoubtedly will be made.

London, May 28.—The Germans are pushing their offensive on both the Aisne and Flanders fronts, Field Marshal Haig reported today.

The enemy exerted continuous pressure against the British on the Aisne front throughout yesterday. Severe fighting is continuing.

The fighting in Flanders he said, is centered east of Dicke Busch lake where the Germans made temporary gains against the French in the resumption of their drive yesterday morning.

"Enemy attacks late yesterday carried them across the Aisne to the west of the British sector, compelling the left of our line to fall back," the statement said.

"The enemy is developing attacks of great strength on the whole Aisne front."

With the Americans in Picardy, May 28.—Three determined attacks in the nature of large scale raids were delivered against the American line Monday afternoon. Two were before Fontaine, and the third to the right of Cantigny. All were repulsed with heavy German losses.

Not only were the attacks repulsed but the Americans drove the Boche from their trenches in a counter attack, holding the captured positions until they were ordered to withdraw.

The attacks were preceded by a barrage and the pounding of the Americans rear position by enemy artillery. In the first attack the Boche advanced in waves, in the face of heavy machine gun and artillery fire. They succeeded in entering our lines but a counter attack was immediately organized and they were driven out.

The retreating Germans were taking an American prisoner with them when several of his comrades leaped from the trenches, caught up with the Boche, killed the entire party guarding the prisoner and brought him back.

WILL HOLD FLAG RAISING

Ceremony To Take Place at Fairview Decoration Day

A flag will be raised in Fairview, during the Decoration Day services, Thursday afternoon at 1:30 o'clock. The program will be given at the Christian church, when Judge Raymond S. Springer of Connersville will deliver the address and the high school orchestra will furnish the musical program. The public is invited.

No Paper Decoration Day
As has been its custom for several years, the Daily Republican will not print a paper on Memorial Day.

ORVILLE RALSTON IN JAIL FOR THEFT

Accused of Stealing Money From Home of James Odell Near Raleigh on May 15

IMPLICATED IN GINGS THEFT

Orville Ralston, who figured in the Gings robbery case when Omer Smith was sent to the state reformatory last month for breaking into Jacob Clifton's store, is in jail here for having stolen about \$8 from the home of Mr. and Mrs. James Odell, living a short distance southwest of Raleigh, on Wednesday, May 15.

Ralston was found in Dunreith Sunday by two sons of Mr. Odell. Marion of this city and Ben of Spiceland, and taken to Newcastle where he was put in jail. Deputy Sheriff Spivey brought him here yesterday afternoon. The elder Mr. Odell is suffering from a stroke of paralysis and Ralston's father, Dick Ralston was caring for him. Young Ralston was staying at Odell's and when Mrs. Odell happened to leave the house, Ralston took the money and fled. The authorities here had been notified, but had never had a trace of him.

Ralston was charged jointly with Smith for the robbery of the Clifton store, both of them being arrested April 18. Smith was sentenced for a term of two to fourteen years Apr. 24 but Ralston who testified for the state was set free although the charge against him has never been formally dismissed.

RESCUED FROM DROWNING

John Leisure, 15, is Saved by Denning Nelson, West of Henderson

John Leisure, age fifteen, son of Mrs. Alice Leisure of west of Henderson was saved from death by drowning Saturday evening by Denning Nelson, age fourteen, son of Mr. and Mrs. John Nelson. Young Leisure was swimming in a small stream running through the Nelson farm. The Nelson boy, who was working in a field nearby, was attracted by his cries for help and rushed to his assistance, dragging him from the water after he had gone under once. Ralph Haywood and Roland McDaniel were swimming with the Leisure boy.

NOBLESVILLE FLYING CADET KILLED IN FALL

Hempstead, N. Y., May 28.—Flying cadet Charles C. Passwater of Noblesville, Ind., was instantly killed at Mineola aviation field today in a 2,000-foot fall. At that altitude he made a tail spin but lost control of his machine and crashed to the ground.

Indianapolis, Ind., May 28.—Horace Ellis today withdrew from the race for Republican nomination for state superintendent of public instruction. This leaves Linnaeus Hines of Crawfordsville the only remaining candidate for the office.

55 LAUNCHED DURING MAY

Shipping Board Announces 18 Completed Week of May 25

(By United Press.)

Washington, May 28.—Fifteen steel ships and three wooden ships with a total tonnage of 109,700 tons were launched during the week ending May 25 the shipping board announced today. This figure brings the May launching to 30 steel ships and 25 wooden ships.

HEARTY RESPONSE FROM OVER COUNTY

Indications Point to Speedy Realization of Quota in War Savings Stamps Drive

REASSURING REPORTS MADE

With Exception of Posey Township, Campaign is Being Conducted By Men's Committee

The call to arms in the War Savings Stamp drive which was sounded throughout the county yesterday received a hearty response from every part of the county and the first returns received indicated that the organization in each township was busily working without any sign of duplication which usually marks the opening of such movements.

Indications today pointed to a speedy realization of the county's quota of almost \$50,000 as large subscriptions, rivaling those of yesterday, kept pouring in to the headquarters in the postoffice. Because Rush county is already far behind in its allotment for the first five months in the War Savings Stamp subscription, the drive will not stop when the quota has been reached but will continue with the same force during the entire week in an attempt to make up a considerable amount of the shortage.

"I'm sending a thousand dollars worth of subscriptions this evening and will send another thousand tomorrow evening," the report which came from one of the chairmen in an out township voices the enthusiasm and ready co-operation which is existing through the entire county. On every hand the donations both large and small have been accompanied by most confident assurances that other large subscriptions would be forthcoming daily.

With the exception of Posey township, the drive is being handled almost entirely by men-members of the committees who had charge of the Liberty Loan campaign. In the western township, however, the women, under the leadership of Mrs. Bert Heaton have organized thoroughly and are carrying on an intensive campaign, using the same organization as they did in the recently completed Liberty loan drive, with great success.

A feature of today's drive will be the appearance of the junior four-minute-men at the local picture shows this evening when two of the winners of the recent contest among the students of the junior high school will deliver the addresses. Readle Casady will speak at the Princess and Robert Gantner at the Gen theatre.

The report from the state headquarters of the War Savings Stamps committee at South Bend for the week ending May 18, which is the current one, shows no increase in the sale of stamps in this county for the week. The report of May 11 credited Rush county with having sold \$59,885 and of May 18 with the same amount. Some were sold, of course, but no reports of sales reached headquarters. Rush county's per capita sales is \$3.08, which is much better than the majorities of the counties, but not so good as many.

RUSH COUNTY GOES \$6000 OVER QUOTA

Final Reports on Red Cross War Fund Campaign Shows \$22,001 Subscribed Here

TOTAL OF 4,901 SUBSCRIBERS

Every Township But Posey Reaches Its Allotment—County Quota Was \$16,000

People Urged to Beware of Unauthorized Solicitors
People are urged to beware of unauthorized solicitors for the Red Cross or for any other patriotic organization for that matter. Reports have been received of a woman who made a canvass in Circleville and received several small contributions. It is not believed that she was representing the Red Cross, as she alleged she was. At some places, it is reported, she asked for a donation of any size, declaring that "a dime would do."

Congratulations from the state and district leaders of the second Red Cross drive on the enthusiastic response which was the result of the drive in Rush county, have followed the formal close of the drive here last night when the entire county reported a subscription of \$22,001. Every township but Posey reached its quota.

With Rush county's quota placed at \$16,000 the county canvassers, true to form, rolled up an oversubscription of six thousand dollars which was far beyond the expectations of the county officials.

In response to the request of E. B. Thomas county chairman of the drive, the reports from the township chairmen contained the number of county subscriptions, which totaled \$4,901. The number of subscribers, which by far exceeds the number of people co-operating in any similar campaign since the organization of the war relief committee is the most encouraging feature of the campaign and proves that with each ensuing campaign, the interest in the war relief work and the responsibility taken by each citizen, is growing.

The reports from the townships as to their final subscriptions and the number of subscribers follow:

Ripley township—\$2,457, 518 subscriptions; Posey township, \$947, 359 subscriptions; Walker township—\$1,356, 311 subscriptions; Orange township—\$1,045, 250 subscriptions; Anderson township—\$1,550, 408 subscriptions; Rushville township—\$7,427, 1,587 subscriptions; Jackson township—\$800, 148 subscriptions; Center township—\$1,400, 330 subscriptions; Washington township—\$1,400, 264 subscriptions; Union township—\$1,154.05, 350 subscriptions; Noble township—\$1,260, 265 subscriptions; Richland township—\$1,208, 111 subscriptions.

FARMERS CLUB TO DEBATE

To Discuss Whether War Will Not Produce More Good Than Harm

The members of the Farmer's Club of Mays are planning a meeting for this evening which will surpass any of their former monthly meetings since the organization started.

"Resolved that the War will be more productive of Good than Harm" is the subject of a spirited debate which will be discussed by members of the club and in addition there will be a program of musical number and agricultural talks by men of this and surrounding counties; interested in the sowing of the spring crops. Marion Detrick, county emergency agent, will deliver an address.

DECORATION DAY PLANS COMPLETE

Soldiers Will Visit Cemetery Both Wednesday and Thursday Morning in Connection With Service

ASK DONATION OF FLOWERS

Children Requested to March in Procession to Cemetery—Afternoon Program Arranged

Memorial day services honoring the heroic deeds of Rush county's Civil war participants, both living and dead, which will be held in this city during both the morning and afternoon of May 30, will be the most pretentious in a number of years.

The members of the Woman's Relief corps have completed arrangements for an excellent program to be given in the afternoon at two o'clock in the sheriff's office, which will be participated in by numerous Rush county residents. The old soldiers will visit the cemetery Wednesday morning in order that the graves of the soldiers may be marked with flags and will return Thursday morning when with solemn ceremony, each grave will be laureled with bouquets. People who have flowers which they desire to give for the memorial service are requested to send them to the court house by eight o'clock Thursday morning or Wednesday evening in order that they may be made into bouquets.

The procession to the cemetery on Thursday morning will be led by the children of the grade schools and for both trips which the soldiers will make to the cemetery on Wednesday and Thursday mornings, the donation of automobiles is asked. Every child in Rushville is wanted to march with the Women's Relief Corps to the cemetery. They are requested to be at the court house by nine o'clock and each one take a flag.

The initial event of the memorial services was observed Sunday when a special program was held at the First Presbyterian church. Sixteen war veterans attended the service in a body, all of whom were from Rushville with the exception of T. A. Jones from Walker township.

The program which has been prepared for Thursday afternoon will be as follows:

Song, "America;" prayer, the Rev. C. S. Black; Lincoln's Gettysburg Address, Mrs. W. H. Jackson; Reading, Gladys Behout; Battle Hymn of Republic, Mrs. Carl Behr; four minute man talks, Warren Dagler and Readle Casady; song, school children; reading, Prudence Pope; Marseilles, Paul LaGrange; address the Rev. John T. Aikin; song, "God be With You 'Til We Meet Again," Benediction, the Rev. M. W. Lyons.

THREATENED TO SCOLD HER

Bertha Mazingo Makes This Allegation Against Her Husband

Accusing her husband with intimate relations with May E. Boyer and of failure to provide, Bertha I. Mazingo has filed suit against Frank B. Mazingo in circuit court for divorce and custody of their three children. She also asks \$7.50 a week for their support. They were married Jan. 18, 1905 and separated May 21. She says she did laundry work for others to support her children and herself, using a power machine. The complaint says Mazingo threatened to scold his wife and said he wished she would die so he would be "foot loose."

On Thursday, Decoration Day, the work in the Rushville postoffice will be cut down considerably. There will be but one delivery in the city with none on the rural routes. The office will be open until ten o'clock.

PLANS TO SAVE EGGS IN COUNTY

Advance Process Whereby \$4,807
Worth of Eggs May Be Saved
During "Rooster Week."

RETAIN YOUNG ROOSTERS

Poultry Dealers Will Pay Premium
for Roosters During Week Set
Aside by Food Administration

If the 1923 farmers keeping poultry
in this county will dispose of
—either kill, sell or confine—all
roosters during "Rooster Week,"
June 3-8, they will save or conserve
approximately \$4,807 worth of eggs
in this county alone during the com-
ing hot months.

Roosters are not necessary after
the breeding season. Hens will lay
just as well without them. Roosters
fertilize eggs—without males among
them hens lay infertile eggs. A fer-
tile egg will start to germinate—it
does not have to be under a sitting
hen nor in an incubator—anywhere
the temperature is between 70 to 85
degrees. An embryo chick will be-
gin to form within the shell of a
fertile egg during the warm morning,
will continue during the even warm-
er afternoon and will die when the
temperature drops during the night
leaving a ring of blood formed with-
in an innocent looking shell. Re-
sult: A bad egg. Cause: Mr.
Rooster, the Kaiser's ally.

Seventeen out of every hundred
eggs marketed in this county last
year were lost through somebody's

Nights of Sleep vs. Nights of Agony

Verdict Favors D. D. D.

carelessness. Five per cent of these
marketed were lost because they
were fertile—made fertile by some
old rooster that should have made a
pot-pie, been sold during Rooster
Week, or been confined in a small
yard away from laying hens.

For next year's breeders retain
big, healthy, early-hatched cockrels
hatched this spring. They will fer-
tilize better than old cocks. Poultry
dealers will pay a premium for
roosters during the week of June 3
8 and actually lose money them-
selves in re-marketing them just to
secure a better quality egg from the
farmer. The man or woman that
knowingly allows males to run with
hens and fertilize eggs during warm
weather is deliberately damaging
foodstuffs in war times!

Washington, May 28.—The sub-
committee on aircraft of the senate
military affairs committee has de-
cided to proceed at once with its in-
vestigation of the production. The
committee will begin a score of air-
craft probes late this week.

Had You Noticed This?

AT THIS YEAR'S SHOWS, the close
observer—the buyer who understands
and who therefore studies mechanical
details—must have noticed the adop-
tion of several features that had,
theretofore, been almost exclusively
Reo.

FOR EXAMPLE, the separation of
transmission from the rear axle by one
group of makers—from the motor by
another.

YOU HAD HEARD a lot about the
superiority of what they termed the
"Unit" power plant or the combined
rear axle and transmission.

ISN'T IT STRANGE that those who
most loudly proclaimed the merits of
that combination are most vociferous
in praise of the new individual unit
plan!

WE REO FOLK never did see any virtue
in the idea of combining two compli-
cated mechanisms. It only increased
the complications.

LOOKED SIMPLE — from the outside.
But actually made every part more
difficult to get at — every adjustment
or repair the more expensive.

IT'S THE OLD STORY of the folding
bed that, in the day time looks like a
piano. It makes no music—and is a
poor place to sleep.

ACCESSIBILITY is the main idea in the
minds of Reo engineers.

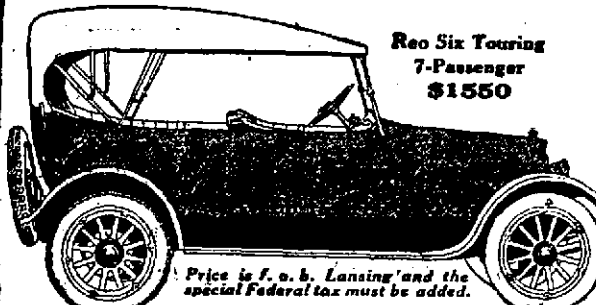

LOW UPKEEP is the direct result of
that quality — the ease with which
any part of a Reo can be reached,
adjusted, or replaced.

THIS REO SIX is the most accessible
Six ever made. And, as a logical and
inevitable result, its cost of upkeep is
almost unbelievably low.

THE UNIVERSAL CAR

Like the regular Ford cars the Ford Model T One-Ton Truck is a real farm necessity, just as it is the necessity of manufacturer, contractor and merchant. There is no question about it proving a money-saver right from the start. It is flexible, turning in a 46-foot circle; has 124-inch wheel base; the regular Ford motor with worm drive—and has proven as economical in operation and maintenance as the Ford Touring Car. The price of the truck chassis is \$600 f. o. b. Detroit. We urge placing orders without delay in order to get reasonably fair delivery. The demand is big—come in and let us talk it over.

A SURE REMEDY FOR SOUR STOMACH AND CONSTIPATION.

A few minutes after taking Pepsinco, sour stomach is relieved. No gas, misery, or heaviness bothers. Follow a few meals with Pepsinco and a natural, normal bowel action will be the result.

Pepsinco acts quickly and is safe and sure. It digests perfectly all that is eaten. The stomach is a peculiar organ. It will not allow an overdoing. It cries out when it is worked too hard. It sends a wireless for help and it behooves every one to watch for the sign.

Pepsinco is the best remedy for any ailment of the stomach and positively regulates the bowels without any harmful effect. Pepsinco does not act on the bowels in the manner of a cathartic. Take Pepsinco if you have any of the symptoms of poor digestion. Pepsinco carries out nature's method thru its positive digestive action. A small package gotten at any drug store will prove our assertion. Ask for Pepsinco and get it. Fully guaranteed.

BEGIN HOT WATER DRINKING IF YOU DON'T FEEL RIGHT

Says glass of hot water with phosphate before breakfast washes out poisons.

If you wake up with a bad taste, bad breath and tongue is coated; if your head is dull or aching; if what you eat sours and forms gas and acid in stomach, or you are bilious, constipated, nervous, sallow and can't get feeling just right, begin inside bathing. Drink before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it. This will flush the poisons and toxins from stomach, liver, kidneys and bowels and cleanse, sweeten and purify the entire alimentary tract. Do your inside bathing immediately upon arising in the morning to wash out of the system all the previous day's poisonous waste, gases and sour bile before putting more food into the stomach.

To feel like young folks feel: like you felt before your blood, nerves and muscles became loaded with body impurities, get from your pharmacist a quarter pound of limestone phosphate which is inexpensive and almost tasteless, except for a sourish twinge which is not unpleasant.

Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels. Men and women who are usually constipated, bilious, headachy or have any stomach disorder should begin this inside bathing before breakfast. They are assured they will become real cranks on the subject shortly.

Invest Without Stint

"Germany has once more said that force and force alone, shall determine the destinies of mankind. There is, therefore, but one response possible from us: 'Force; force to the utmost; force without stint or limit.'"

When President Wilson uttered those sentences, he put in words the deepest feeling in every true American heart. It was what the fathers and mothers who had given their sons to the army and navy had been anxiously waiting for. That is the conclusion which, after long periods when we wished, rather than expected, that Germany would come to her senses,—every man with red blood in his veins has been compelled to reach. Germany has willfully blinded her eyes to truth and right; truth and right shall therefore judge and sentence Germany. All America concurs in that decision.

In concrete terms, President Wilson has pledged all the soldiers, sailors, marines, ships, supplies, food, arms, service and ammunition that are necessary to do this great work. All America's mighty strength is to be turned against Germany, consistently, relentlessly.

To carry out the president's pledge in which we have all agreed, every loyal American must do his part. Only the money and savings of Americans at home can give to the boys who carry the flag "over there" the necessary strength to send the kaiser's legions rolling back to the Rhine, to make Germany autocracy pay, and pay dearly, for its brutality, its rapacity and its crimes so foul no adjective can in a degree properly qualify them.

It is the mission of War Savings to give the government this force it needs. By investing in War Savings and Thrift stamps you are adding to that great force. It is the duty of every honest-to-goodness American to add to that force. Lend without stint or limit, and the boys will fight without stint or limit. Not until you have loaned the government every cent you can spare, even if you must sacrifice luxuries, will you have done your duty. Not until you have done that can we crawl down the kaiser's throat the force which he cruelly calls upon as the determinant.

After all, when you buy War Savings Stamps you are not actually sacrificing anything. You are, in truth, only participating in the profits of the war. Assuredly, you are helping to win the war, and just as certainly you will participate in the rewards which always come to good servants. Invest in these War Savings Stamps. Invest to the limit. Invest without stint. Add to that irresistible American force which shall answer the Kaiser's summons. Then will you help in shattering the arrogant dreams of that German war lord. Then will you hasten the day when an honorable and safe peace shall prevail, and the "boys come home."

One crop never fails, and that is the dandelion crop.

REPUBLICANS GOING TO STATE CONVENTION

Delegation From This County And Others Journey to Indianapolis Opening Meetings

SENATOR WATSON WILL SPEAK

Rush county republicans were going to Indianapolis today to attend the state convention which will be held in Tomlinson hall tomorrow. Preliminary meetings were being held today. The county chairmen were to meet at four o'clock and tonight the convention delegates meet by districts. The sixth district meeting will be held in room 55 in the state house.

Interest among republicans here centered in the speech which Senator James E. Watson will make before the convention tomorrow. Governor James P. Goodrich will act as temporary chairman and Senator Harry S. New will be permanent chairman, and each will make a short speech. National Chairman Will H. Hays will also speak.

The Rush county delegation is composed of the following: Ripley, Rice C. Hill; Posey, William Gowdy; Walker, Thomas K. Mall; Orange, Thomas W. Harbert; Anderson, William M. Bosley; Rushville, John C. Blackledge, Guy Gordon, Charles Hugo and T. S. Maffett; Jackson, Isaac N. Stevens; Center, Raymond Bowles; Washington, Charles H. Elwell; Union, J. Arthur Looney; Noble, Montis L. Stewart; Richland, Edward O. George.

CHARLES BEESON IS DEAD

Brother of Willard Beeson of North of Rushville Expires

Word has been received here of the death of Charles Beeson, 65, of Bentonville by his brother Willard Beeson, who resides north of the city.

The deceased had been ill for several months, suffering with dropsy, the immediate cause of death however was attributed to pneumonia which developed a few days before death, which occurred Sunday evening. Mr. Beeson was well known here and had spent his entire life in the vicinity where he died. The funeral services will be conducted tomorrow afternoon at two o'clock at the Bentonville Christian church with burial in the Bentonville cemetery.

TROOP TRAIN GOES THROUGH

A troop train of several coaches, all passengers, passed through Rushville northbound, yesterday afternoon on the Pennsylvania railroad. The soldiers were leaning out the windows and shouted to everyone in sight.

Mrs. D. D. Dragoon of North Perkins street, is ill.

GOT GOOD RESULTS

This honest, straight forward letter from a woman who has suffered should be heeded by all afflicted with backache, rheumatic pains, sore muscles, awful tired feeling and other symptoms of kidney and bladder trouble: "I have got such good results from Foley Kidney Pills that I can sleep much better and the pain in my back and sides is a good lot better. I am going to keep on taking them. Mrs. Chas. Gray, 270 6th St., Detroit, Mich." F. B. Johnson.—Adv.

SO EASY! LIKE ROLLING OFF LOG

Sore, touchy corns stop hurting, then lift right out with fingers

You corn-pestered men and women need suffer no longer. Wear the shoes that nearly killed you before, says this Cincinnati authority, because a few drops of freezone applied directly on a tender, aching corn stops soreness at once and soon the corn loosens so it can be lifted out, root and all, without pain.

A quarter ounce of freezone costs very little at any drug store, but is sufficient to take off every hard or soft corn or callus. This should be tried, as it is inexpensive and is said not to inflame or even irritate the surrounding tissue or skin. "After you lift away the troublesome corn or callus the skin underneath is as pink, firm and healthy as the palm of your hand."

Indiana Women Will Win

YES, Indiana Women and Millions of Others—Their Packages Contain Only Absolute Necessities—America's Great Home Army of Savers Will Decide the Fate of Democracy and Liberty!

While their sons, brothers and sweethearts are serving as U. S. Soldiers and Sailors "Over There," these women are serving as U. S. SAVERS "over here." When these women shop, they purchase only the necessities for sane and simple living. They discourage the buying of non-essentials because they know that the factories and labor which produce luxuries are now required for the production of vast supplies needed by their dear ones who are fighting for freedom across the sea. These women save—for themselves and for country, and a liberal share of their savings goes into

War Savings Stamps

Thrift Stamp Week

May 27th to June 3rd

War Savings Stamps and Thrift Stamps may be had at the postoffice, banks, trust companies and other authorized agencies. Join the Indiana Savers now—during Thrift Stamp Week.

Certainly we should be able to sell an average of \$2.50 per capita in one week. We can and we will—if every person in Indiana does his or her duty.

Of course some will buy more than \$2.50 worth—many will have to in order to keep the average up—but, many will want to. Because, buying W. S. S. is Patriotic and, W. S. S. is the best investment the Government has ever offered.

TO RELATE EXPERIENCES

Sergt. William S. McBirnie Speaks at M. E. Church Tonight

Sergeant William S. McBirnie of the Canadian overseas army, who had many thrilling experiences during his two years of service in the trenches in France, will relate some of them tonight when he speaks at eight o'clock at St. Paul's M. E. church in behalf of the Salvation Army war fund. Sergt. McBirnie is credited with being the best speaker of all the soldiers who have been sent to Indiana to aid various patriotic funds.

RAIL RATES ARE ADVANCED

Freight and Railway Fares Going up Due to Wage Boost

Washington, May 28.—Twenty-five per cent rate increases on plain and commodity freight rates will undergo raises. This announcement was made by the United States railroad administration following announcement that railway men's pay would be boosted.

Doctors Make Important Announcement

They Take The Public In Their Confidence

Reliable physicians believe that broken down nerve tissues need not a brace but a builder like Phosphates and Iron. To get these essential food tonics to the nerves has long been the big question.

A successful physician says, "Phosphated Iron is an especially adapted discovery that has solved the problem of giving Phosphates and Iron in such a way that the nervous system can actually take hold of it."

Another, an equally important mission of Phosphated Iron is to build up anaemic (thin, weak, watery) blood by charging it with good health-giving iron.

A leading doctor says, "Phosphated Iron is the best iron tonic that I have ever prescribed, its results are remarkable."

Strengthening the nerves, building up their starved tissues and recharging weak, watery blood with the great health restoratives, Iron and Phosphated Iron. You who are nervous, weak, anaemic (lack of iron in blood) all in, and run down cannot afford to turn down the help that Phosphated Iron offers.

Special—To insure physicians and their patients receiving the genuine Phosphated Iron we have put up in capsules only, so do not allow dealers to substitute pills or tablets; insist on the genuine, in capsules only. PITMAN & WILSON and leading druggists everywhere. Rushville, Ind.—(Adv.)

TYPICAL HIGH SCHOOL PROGRAM

Seniors Entertain Underclassmen For Last Time With Varied Program in Graham Auditorium

VIM MARKS UNDERTAKING

Class History and Class Will With Humorous Take-Offs on Faculty and Students Featured

The farewell of the senior class of the local high school to the lower classmen and to the high school faculty which was staged in the auditorium of the Graham Annex yesterday afternoon, was the most clever affair of its nature witnessed by the high school during the school year.

With all of the vim and enthusiasm which has marked the undertakings of the outgoing class during their four years course in Rushville high school, each graduate entered into the program which was filled with sparkling wit and humorous reminiscences of their senior year as well as that of the lower classmen and the faculty members.

The class history, describing the events of note as they were recorded through the freshmen, sophomore, junior and senior years of the class, made an interesting story and was told by Raymond Clarkson, a member of the class.

One of the features of the program, the class prophecy was the event of the afternoon and Harold Perkins, garbed in the proverbial robes of Father Time called forth the seniors, placing them in the scenes in which they will be found in future years. Miss Catherine Guffin received hearty applause from the audience when she appeared as a prima donna of future years and sang a clever take-off on numerous students among the upper classmen entitled, "Hello Central Give Me R. H. S." The song was set to the music of "Hello Central Give Me No-Man's Land."

War widows were depicted among the class members, among whom was Miss Margaret Cooning, who appeared in a flowing veil and other suggestions of a widow's lot. Raymond Clarkson, as a hero of the present war hobbled into the spot-

light on crutches and in the course of his description of his experiences on foreign battlefields, he urged the purchase of War Savings stamps.

Katherine Wooden and Katherine Wyatt in the role of school teachers furnished a great amount of merriment which was followed by the appearance of a new Caruso—Orville French—whose comic expressions as the victrola played one of Caruso's records, brought down the house. Miss Gladys Bebout, the accomplished reader of the class entertained the audience with clever "take-offs."

Miss Mae Mills appeared in the costume of Salvation Nelly, after which a clever little dialogue was staged by Byron Benner as Rush county sheriff and LaVernne Davis, his stenographer. Helen Dugan as an actress portrayed Sis Hopkins with as much ease as the original "Rose." Ogden Daily was shown as a stunt bicycle performer and Richard McManus as the speed king. A three-round boxing match between Norman Reed and Orville French completed the prophecy for the futures of the graduates.

When all of the participants in the program, garbed in their various costumes filled the stage, marched in to the swinging music of their song "Hail, hail, the Gang's all Here," Norman Reed read the class will—bequeathing to the underclassmen, the members of the junior, sophomore and freshmen classes, all of the joys and sorrows which had been theirs during the last year of their high school life.

The grand finale—the farewell song of the class—the wording of which was original, was sung to the music of "Aloha Oe" and as the curtain descended, the voices of the seniors slowly died out and the wondrous sweet harmony ceased, the auditorium was suddenly filled with rousing cheers—a typical high school farewell to the upper classmen.

ON WAY TO THE EAST

John Kennedy, son of Mr. and Mrs. E. L. Kennedy of this city, who has been in training in Camp Funston, Kas., for several months stopped over in Indianapolis today for a short time. Private Kennedy, with the remainder of his company, is enroute to an eastern port. He was met in Indianapolis by Mr. and Mrs. E. L. Kennedy, Mr. and Mrs. Herman Tompkins, Miss Hazel Hodder and Mr. and Mrs. Harry McMillin of this city.

E. A. DEGREE

Phoenix lodge No. 62, F. & A. M. will have a called meeting for work in the E. A. degree Tuesday night at 7:30. Visiting Masons are welcome.

BUY THRIFT STAMPS

AFTER THREE YEARS

Many men and women are sick and don't know it. Some never discover they have kidney trouble until they apply for life insurance. The kidneys are working all the time, filtering poisonous waste out of the blood stream, and when they become

weakened or deranged, backache, pains in sides and groins, so-called rheumatism, languidness, swollen joints and other symptoms develop. W. B. Moss, Ogden, Ark., writes: Foley Kidney Pills relieved me of severe kidney troubles of three years standing." F. B. Johnson.—Adv. 2

The Farmer's Share

Live stock is marketed from farmer to consumer at a lower cost than almost any other farm product.

The United States Department of Agriculture reported in 1916 that the farmer gets for his cattle "approximately two-thirds to three-fourths" of the final retail price paid by the consumer for the resulting beef.

Under normal conditions, the farmer's share of retail prices of various farm products is approximately as follows:

Butter	71 per cent
CATTLE	66 2/3 to 75 per cent
Eggs	65 per cent
Potatoes	55 per cent
Poultry	45 per cent
Fruits	35 per cent

The difference between farmer's price and retail price represents the necessary expenses of packing, freight and wholesale and retail distribution.

Swift & Company not only performs the manufacturing operations of preparing cattle for market in its well-equipped packing plants, but it pays the freight on meat to all parts of the United States, operates 500 branch distributing houses, and in most cases even delivers to the retail butcher. All this is done at an expense of less than 2 cents per pound, and at a profit of only about 1/4 of a cent per pound of beef.

Large volume of business and expert management, make possible this indispensable service to the live-stock raiser and to the consumer, and make possible the large proportion of retail prices received by farmers.

Year Book of interesting and instructive facts sent on request. Address Swift & Company, Union Stock Yards, Chicago, Illinois

We have a FAIRYFOOT Remedy for every foot trouble.

Horatio S. Havens "Some Shoes"

The members of the Monday Circle held their last program meeting yesterday afternoon at the home of Mrs. P. T. Allen in North Harrison street when the last discussion in the study of Shakespeare and his work was led by Mrs. C. H. Parson. After the meeting next Monday evening which will be a short business session for the purpose of completing the programs for the next club year, the club will adjourn until September. The meeting next week will be held at the home of Mrs. Ralph Payne, in North Harrison street.

Social Calendar

Wednesday

Baptist Ladies Aid society in the afternoon in the church parlors.

Wednesday afternoon Sewing club in the afternoon with Mrs. Emma Craig in North Jackson street.

Catholic Ladies Aid society with Mrs. Catherine Horr in West Third street.

The Band of Workers of the First Presbyterian church with Mrs. Jesse Bennett west, of the city, in the afternoon.

Miss Margaret Ball and Miss Lois Reeve entertained last night with a dinner party at the home of Miss Ball in North Morgan street, the occasion being the birthdays of both girls. In the dining room, a patriotic note was carried out in the decorative scheme. Flags and flowers were artistically combined and a huge bouquet of red roses formed the centerpiece for the table. Covers were laid for the following guests: Miss Katherine Wyatt, Miss Dorothy Sparks, Miss Katherine Giffin, Miss Dorothy Mahno, Miss Marjorie Thomas and Miss Katherine Wood- en.

Mr. and Mrs. Victor Carr and family, Mr. and Mrs. Raymond Moore of Hartsville and Miss Mildred Oneal of this city, were the guests at a pretty dinner party given by Mr. and Mrs. Carlton Chaney at their beautiful country home near Glenwood Sunday. The dining room was attractively decorated with spring flowers for the occasion.

The standing committee of the council will give a card party Thursday evening, May 30 in the Red Men's hall, for the benefit of the Red Cross. All of the proceeds will be turned over to the county organization and invitations have been extended to all fraternal orders of the city. An admission of ten cents will be charged.

The Catholic Ladies Aid society will meet with Mrs. Catherine Horr in West Third street, tomorrow afternoon, with Mrs. Philip Heeb as assisting hostess. The regular meeting day is Thursday, but it has been changed on account of Memorial Day, falling on that day.

The members of the Wednesday Afternoon Sewing club will be entertained by Mrs. Emma Craig, tomorrow afternoon at her home in North Jackson street.

The regular meeting of the Happy-Go-Lucky club will be held on Thursday afternoon at the home of Mrs. J. M. Amos, south of the city.

A surprise party was given last night at the home of Mrs. Bert Madden honoring Mrs. Justin Amos of Indianapolis who is visiting here. The dining room was attractively adorned with peonias, when a splendid pitch-in dinner brought by the guests, was served.

The regular meeting of the Band of Workers of the First Presbyterian church will be held at the home of Mrs. Jesse Bennett, west of the city, tomorrow afternoon. A good attendance is desired as the treasurer wishes to close up the books for the year.

A skating party will be given at the skating rink in South Main street, tomorrow night for the benefit of the Always Present class of the Main Street Christian Sunday school. The hours and admission will be the same as usual.

Mr. and Mrs. Paul Lagrange entertained at dinner, Sunday evening Miss Nellie Hayes of Raleigh and George Todd of this city.

The Baptist Ladies Aid society will meet in the church parlors tomorrow afternoon.

GRASS RUGS AND PORCH SHADES

The Nation says Economy

Economy usually starts in the home. Grass Rugs are reducing in great measure the cost of floor coverings for the modern home. They enable every housewife to enjoy luxury in floor coverings at little cost.

WAR SAVINGS STAMPS

Everyone must help Rush County go over the top in the drive this week. Give until you feel you have sacrificed something for your country. Follow Abe Martin's advice and "give until it quits hurting."

For the porch and in the home Grass Rugs are the most serviceable, and absolutely the most sanitary and convenient rugs that can be had. The many beautiful designs we carry lend themselves admirably to any color scheme or decorative effect that could be wished for in the home.

The porch is not what it should be for your comfort without shades. Make your porch comfortable at any time of the day. We have shades in any width—four, five, six and eight feet—in brown and green. There are very reasonably priced.

THIS STORE WILL BE CLOSED ALL DAY THURSDAY, MAY 30th

The Mauzy Company

SPEEDOLINE

PUTS THE MILES IN GASOLINE.

ONE QUART OF SPEEDOLINE COSTS ONLY \$1.50.

and will treat about 160 gallons of gasoline and make it give more mileage than 213 gallons of plain gasoline, thus saving you more than 53 gallons of gasoline, which at 26c per gallon amounts to more than \$13.00 that one quart of Speedoline will save you, besides removing carbon from your motor and giving you improved service. When you eliminate carbon from your motor you are rid of 75% of your motor trouble, and the improved service you will get and the smoothness with which your motor will run will surprise you. It is worth many times its cost for this alone, to say nothing of the large gasoline saving.

OUR GUARANTEE

We will pay a reward of ONE HUNDRED DOLLARS to anyone who can prove that SPEEDOLINE will not run an Automobile on a fourth less Gasoline, increase Power of Motor and Remove Carbon, or that it will in any way injure the finest motor.

TODAY'S WANT ADS

All advertisements under this head are charged for at the rate of one-half cent per word for each insertion. The same ad will be placed in the Indianapolis Star and Daily Republican at the combined rate of one and one-half cent per word.

We earnestly solicit these advertisements by telephone and expect payment when the collector calls. Ads mailed in should be accompanied by the remittance, as the amount is generally too small to justify bookkeeping.

Cards of thanks and obituaries are charged for at the same rate, minimum 25 cents. No charge accounts opened.

CLASSIFIED ADVERTISEMENTS ARE NOT TAKEN AFTER 10 A. M. FOR PUBLICATION ON THE SAME DAY

MRS. LAURA SCOFIELD RAN MACHINE WITH BORROWED LICENSES

Former Rush County Woman Expires After Illness of Several Months With Paralysis

WAS BORN NEAR FALMOUTH

Mrs. Laura Scofield, a native of Rush county, died last night at her home in Sharpsville, Ind., after an illness of paralysis from which she had suffered for several months.

The deceased who was 76 years of age was born near Falmouth and resides in that neighborhood for a number of years. Mrs. Free Love Peters who was a sister to Mrs. Scofield resides here; numerous other relatives reside in the northern part of the county. The funeral services will be conducted tomorrow afternoon at the residence with burial in the Sharpsville cemetery.

Harry Ray of Falmouth Fined \$1 and Costs After Having Once Been Told to Stay Away

LAW ENFORCED ELSEWHERE

Harry Ray of Falmouth has been fined \$1 and costs by Mayor Irvin for driving a machine with borrowed licenses. He returned from Florida where he had been spending the winter, two weeks ago, and was in Rushville Saturday morning driving his machine with 1917 licenses. He was taken before the mayor by the police. Ray showed he had applied for licenses two days previously, although he had been here almost two weeks. Mayor Irvin let him go with the promise he would not return to Rushville, but Saturday night he was back with borrowed licenses and was fined.

Those who have been disposed to criticize city authorities for enforcing motor vehicle laws on the theory that it is not done elsewhere, have been requested to observe that these laws are being enforced in other cities. Mayor William J. Black of Anderson fined himself \$1 and costs a few days ago for running with only one license plate. Twenty-seven were arrested for violating the automobile laws over last week-end in Anderson. There were close to 500 arrests in Indianapolis in April alone for similar offenses.

during the recent Mardi Gras festival.

"Gift O'Gab" at Gem

Jack Gardner, supported by Helen Ferguson, is appearing at the Gem today in "The Gift O'Gab," a comedy drama in 5 acts in which Gardner has ample opportunity to display his prowess as an athlete. Jack is the hero of a football game and during the fracas which follows with the village constable, he drives a cab, leaps onto a street car, from it to the top of another, then on to a viaduct and drops on a moving freight train. Later in the story he puts on a fist fight with a college enemy. There is a real boiler explosion with Jack on the scene risking his life as usual.

Red Cross Notes

The Red Cross auxiliary of Jackson township, will meet with Mrs. I. N. Stevens, Wednesday afternoon.

The ladies of the Christian church will sew at the Red Cross headquarters Wednesday afternoon. Everybody is urged to attend as there is much work to be done.

The divorce suit of Bessie M. Boyer against John H. Boyer has been dismissed in the circuit court by the plaintiff at her costs.

We Want One Hundred More

Desirable Charge Accounts

There are at least one hundred persons in Rush county who ought to be buying at HOGSETT'S STORE, and to be enjoying the advantages of a charge account.

Please allow us to extend to you an invitation to open a charge account with us. We shall ask that you merely supply us with three references. The account is to be settled in sixty days. Please bear in mind that we have but one price for all and the extension of a charge account to one hundred extra persons is done to enlarge our business to so great extent that we can give to all even better value than heretofore.

Strive To Have Healthy Skin

Next time you are in a gathering of women note the different conditions apparent in complexion. You will see some filled with blackheads, some dry and rough, some smooth and creamy, some smeared with rouge, some streaked with heavy metallic powders and once in a while you will see one that is a demonstration of intelligence from every point of view. The color is rosy, the skin is clear and smooth, the pores are small and open, the powder does not show on the firm vigorous skin. Every woman can have a good complexion if she will only use a little discretion. If you would acquire real beauty, the beauty of perfect health, you must replenish your worn-out tissues with health. Nature's own nerve restorer, and put into your blood the invigorating force which Nature intended it to have for health. In most of the modern foods there are many vitalizing elements have been largely eliminated. Yet to be healthy and beautiful the system must have them. They are found in Bio-faren, not only in proper proportions to restore weakened vitality but in such form as the system can best assimilate them. A treatment of leishman and iron supplements as combined in Bio-faren, restores the system, aids nutrition and builds up the patient. And Bio-faren in the tablet form is easy and palatable to take—no liquid

skin discoloration of the teeth, no unpleasant taste. There is no secret or mystery about Bio-faren. Doctors prescribe it regularly because they know exactly what it contains as well as what it will do and they know they could not formulate a better up-building tonic. The action of Bio-faren on the system is so beneficial, we are so sure of its giving you positive health and vigor, providing, of course, there is no serious, chronic ailment such as cancer, tuberculosis, etc., that we only sell it on the condition that you agree to return the empty package and accept a refund of your money unless you are entirely satisfied. There is no use waiting for health and beauty. It is better to do things today than tomorrow. Go to your physician today—right now—he will advise Bio-faren. Then start taking it at once as his advice or as directions on the package call for. The guarantee protects your money. Interesting booklet may be had for the asking. Large package \$1.00 at all leading drug stores or direct if your druggist can not supply you. The Standard Remedies Co. Inc., Cincinnati, Ohio.

COMB SAGE TEA INTO GRAY HAIR

Darkens Beautifully and Restores Its Natural Color and Lustre at Once.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients a large bottle, at little cost, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

NOTICE OF FINAL SETTLEMENT OF ESTATE.

Notice is hereby given to the creditors, heirs and legatees of Oliver O. Warrick, deceased, to appear in the Rush Circuit Court, held at Rushville, Indiana, on the 3d day of June, 1918, and show cause, if any why Final Settlement Accounts with the estate of said decedent should not be approved; and said heirs are notified to then and there make proof of heirship, and receive their distributive shares.

Witness, the Clerk of said Court, this 11th day of May, 1918.

ODD FELLOWS NOTICE

Important meeting will be held Wednesday evening. Election of officers, arrangements for union memorial services, and discussion of proposition of buying War Savings Stamps. Every member is urged to attend.

WEBSTER'S MULTICOPY Carbon paper is sold by Louis Hiner,

WORK IN CUTTING DEPARTMENT STOPPED

Red Cross Acts on Instructions From Cleveland so Inventory May be Taken.

NEW SYSTEM WILL BE USED

Work in the cutting department of the Red Cross headquarters here has been stopped for a short time while an inventory is being taken of all of the goods on hand.

This is being done at the request from the Cleveland headquarters where officials state that an oversupply of certain garments and a shortage of others is resulting from the present methods being followed through the district. In the future orders will be sent out from the headquarters and within a certain time an allotted number of each garment will be asked from each county. In this manner it is believed that the most effective work will be obtained from every quarter. This system has already been adopted in the surgical dressing department.

Days Pickings

Mrs. Belle Cosand is suffering with tonsillitis.

Miss Fay Mahin has returned to her home near the city, after a short visit in Hamilton, Ohio.

Dan Spivey is ill suffering with bronchitis at the home of his daughter, Mrs. Jesse Trobaugh, of Kokomo, where he has been visiting for a few weeks.

A marriage license has been issued to Emma May Masters, daughter of Mrs. Mary Masters and James Lanning, Jr., son of Mr. and Mrs. James Lanning, Sr., of Brookville.

Word has been received here that a baby girl has been born to the wife of Walter G. Hurst of near Connersville, formerly Miss Inez Lockhart of Connersville, who is well known in Rushville.

White lines are being painted around all fire hydrants in the business district to prevent parking of machines near the hydrants. Large signs, "Don't Park Here" will be painted on the streets near the hydrants.

Walter E. Smith has returned from Indianapolis where he attended the convention of the State Association of Licensed Small Brokers, which included a banquet at the Claypool. Mr. Smith made an address on advertising.

Orn Morgan and Henry O'Reilly have bought the tailor shop of Elvie Osborn in Third street just west of Main. They have bought a dry cleaning establishment at Greenfield and are moving it here. The dry cleaning plant will be located in the west part of the city.

The funeral services for Lowell McKee, the three-year-old son of Mr. and Mrs. William McKee of near Orange, who died yesterday morning from burns, will be conducted tomorrow afternoon at 2:30 at the Orange Christian church with burial in the East Hill cemetery.

The funeral services for Edward Crist, who died Sunday in Chicago, were conducted this afternoon at two o'clock at the R. W. Riley residence in North Main street, after which burial was made in the East Hill cemetery. The Rev. Clyde S. Black conducted the services.

Wayne Alter, son of Mr. and Mrs. David O. Alter of Orange township, who just began the practice of veterinary medicine at Noblesville, has been called to Camp Lee, Va., for three months training. He enlisted Dec. 18, 1917 as a veterinarian. He will not be commissioned until he completes his training and is assigned to duty.

The funeral services for U. G. Beaver, 49 who died Sunday morning in the Robert Long hospital in Indianapolis, will be conducted tomorrow morning at ten o'clock at the local Christian church with burial in the Orange cemetery. The four brothers of the deceased, Lewis Beaver of Muncie, Richard and Will Beaver of Indianapolis and James Beaver of Noble township, his father George H. Beaver of Orange and two half sisters Mrs. Omer Stevens of Indianapolis and Mrs. Ethel Abercrombie of Falmouth have arrived for the funeral.

OBSERVE THURSDAY AS A DAY OF PRAYER

Catholic Church to Hold Special Services Memorial Day and Church Will be Open All Day

HIGH MASS TO BE HELD AT 8

In compliance with the proclamation of President Wilson, every Catholic church in the diocese of Indianapolis will observe Memorial Day as a time of meditation and prayer.

At St. Mary's Catholic church here the service will be notably impressive. High mass will be read at eight o'clock in the morning by the pastor, the Rev. M. W. Lyons who will also deliver the sermon of the day. The Knights of Columbus will attend in a body, assembling at the hall and marching in procession to the church where patriotic songs will be sung both before and after the service. Everyone will be welcome to attend the service or to visit at the church any time during the day for meditation and prayer as requested by the president.

TO FREE INTERIOR ENEMIES

Sinn Fein Plotters to Arm Them Against the British

Dublin, May 28.—Evidence has been found that part of the Sinn Fein plot provided for the liberation of hundreds of Austrian and German civilians now interned in Ireland and for arming them against the British, according to statements from officials. As a result deportation of these men has begun. It is planned to arm these alien civilians with weapons delivered by German submarines.

For Burning Eczema

Greasy salves and ointments should not be applied if good clear skin is wanted. From any druggist for 35c, or \$1.00 for extra large size, get a bottle of Zemo. When applied as directed it effectively removes eczema, quickly stops itching, and heals skin troubles, also sores, burns, wounds and chafing. It penetrates, cleanses and soothes. Zemo is a clean, dependable and inexpensive, penetrating, antiseptic liquid. Try it, as we believe nothing you have ever used is as effective and satisfying.
